

PETITION FOR A NEW STATION FORWARDED

Is Signed By Practically Every Business Firm In Clearfield As Business Necessity

PRESENT STATION INADEQUATE

A monster petition for a new passenger station at Clearfield has been sent to the New York Central company and one to the Buffalo, Rochester and Pittsburgh Railway company. The petitions are not bulky but weigh much in influence as they are signed by practically every business firm in the town. A few years ago the railroad was petitioned to erect new stations here and at that time the petition was signed by almost every citizen of town. The petition of the business houses of Clearfield will supplement the other petitions and together they are expected to bring some results.

The New York Central passenger station has for years been an eye sore to the town. A great deal of the travel to our town comes in over the New York Central and the remarks that are passed about the facilities for handling traffic are very unpleasant to loyal Clearfield boosters. Hardly a week passes that we do not have to give some kind of excuse for the dinky little building that bears the name of passenger station. It is hard to understand why Clearfield, which has contributed so much to the general trade of the New York Central lines, has been treated so disrespectfully in the way of passenger facilities. Quite often the little waiting room, which has to serve for male and female at the same time, is overcrowded and ladies prefer to stand out in the weather rather than enter it. A condition like this does not contribute anything to the popularity of Clearfield as a shopping center. Now that the business men of the town are after it no doubt some results will accrue.

It is not definitely known whether the petition has gone forward as those having it in charge have not given anything for publication but it is known that it is ready to send in and the people of Clearfield will be glad to know that the subject of better passenger service is being opened up again.

GOLF CLUB TOURNAMENT.

Popular Clearfield Girl Is Married

Miss Marie Bowes Wedded to Charles P. Schnarrs of Pittsburgh

A beautiful wedding was solemnized at the Eleventh St. M. E. church parsonage last evening at 7:00 o'clock when Charles B. Schnarrs and Miss Marie Bowes were married by Rev. Robert C. Peters, their pastor. The couple was attended by Arthur Bowes and Miss Ruth Beightol and the beautiful ring ceremony of the Methodist church was used. The bride is the accomplished daughter of H. H. Bowes of Daisy street and the groom is now engaged in the grocery business in Pittsburgh where they will make their future home. The good wishes of a host of friends accompany them.

Following the ceremony a wedding supper was served at the home of the bride at which a number of relatives and friends were present. The bride and groom left today on the 1:15 train for Pittsburgh.

WOODLAND LADY TO BE BURIED TODAY

Funeral Will Be Largely Attended -- All Old Citizens Knew Mrs. Elizabeth Lansberry Well

HAS BEEN ILL FOR YEARS

Woodland has lost by death another well known and highly esteemed resident in the passing away of Mrs. Elizabeth Lansberry, widow of the late Simon Peter Lansberry, whose demise occurred on Sunday evening, August 6th, following a lingering illness. Her age was 71 years, 8 months and 5 days.

Mrs. Lansberry was a consistent member of the United Brethren church. She was a good woman, whose gracious spirit endeared her to a large circle of friends. The community in which she has so long resided will deeply mourn her passing away.

Surviving are the following sons and daughters, viz: Ralph, of Portland, Oregon; Mrs. Alice Nail, of DuBois; Mrs. Lettie Polkinghorn, of New Bethlehem; Richard, of Woodland; Mrs. Frank Snyder, also of Woodland, and Miss Mame, at home.

The funeral will take place from the U. B. church tomorrow afternoon, with interment in the Bradford cemetery.

MISS PHILLIPS ENTERTAINS

Millard Phillips entertained a number of girls and boys at a delightful party last evening at his home on Turnpike avenue in honor of Miss Helen Baum. The evening was a most enjoyable one for all and was spent in playing cards and games. Vocal and instrumental music was greatly appreciated by all.

Lost or taken by mistake, a dark green silk umbrella. The one who took the umbrella will please take it to the 5 and 10c store and get the one which was left by mistake.

GOSHEN ROD AND GUN CLUB DINE

Celebrate Release From Debt By Burning Eight Hundred Dollar Mortgage

THEY HAVE FINE CLUB HOUSE

The club house of the Goshen Rod and Gun club, located about three miles from Shawsville on the old McGeorge road toward Caledonia was the scene of a very festive occasion last evening when about forty members and guests of the organization partook of a big feed to celebrate the cancellation of the mortgage against the property.

The organization is very young but has had a prosperous career. The principal item on the program last night was the burning of the scrap of paper that overshadowed the club. With a few appropriate remarks the match was applied to it by the president of the club, Hobart Callahan, Burgess of Clearfield. A. I. Cowdick is the secretary and treasurer of the club.

The club house is of four spacious rooms all equipped for the best of times in out door club life. It has twelve iron beds and only recently a beautiful big fireplace has been added to the building. There is a large porch on two sides of the house. The porch has also been added during the past year.

The big dinner in honor of the mortgage burning was put up by Wilson, the Read Street caterer.

BOY SWALLOWS A VICTROLA NEEDLE

Son of Mr. and Mrs. F. B. Reed Meets With Peculiar Accident Yesterday Morning

NOW AT CLEARFIELD HOSPITAL

Yesterday morning the six year old son of Fred B. Reed of Old Town Road accidentally swallowed a Victrola needle. Little Fred was playing the Victrola and while changing the needles, he slipped one into his mouth and it slipped down his throat. The child screamed and his mother, who was in another part of the house, ran to him and found him choking violently.

Mrs. Reed ran to the phone, only to find it out of order, and then to the Reed farm to call for a doctor but the wires were bad there also. Just as she was coming from the Reed farm she met Miss Kathryn Dyer of Curwensville who was passing in her car. Mrs. Reed hailed her and they took the boy to the residence of Dr. Stewart and from there to the hospital. At the hospital the X-ray was used and the needle located in the stomach.

He had a fairly good night and the doctors have not decided whether an operation will be necessary or not.

REV. GRUMBINE SAYS COLORS AFFECT THE MIND

Cleveland, August 9.—(By United Press)—If your little girl tells a fib or hops the ice wagon, buy her a pale blue pinafore. If your small boy disobeys and has to be taken out to the woodshed by his fond papa regularly, have his bedroom papered a sky blue. If you want to do some hard mental concentration hang a yellow curtain across the window. This is the advice of Rev. J. F. Grumbine, of the Psycho-Science church here.

"Clear red makes folks affectionate and dark red makes them emotional," Dr. Grumbine stated. "White makes folks feel spiritual and pure. Every color has its affect on the human mind."

"Blue is the color that will help the child go the right road."

FARM AGENT VISITS CURWENSVILLE AND THEIR GRANGE

Fair Booster Also Present To Outline Work Already Done By The Fair Committee

Agent Kearney Says Best Results in Marketing Can be Obtained by Co-Operation in Production of Standard Articles.

Through the courtesy of A. T. Kearney, Farm Agent, the County Fair representative accompanied him to Curwensville last Saturday and visited Susquehanna Grange. While the attendance was not large, the interest was good, and a varied program was rendered. Cut worms and potato bugs came in for some remarks—not to their credit.

Attention was called to the blight that seems to have stricken the leaves of maple and white oak trees by the roadside and in the woods.

Mr. Kearney gave a good outline of the work of the Farm Bureau and deprecated the idea that some persons have that the County Farm Agent is expected to know it all or to profess to do so, saying that he himself had a great deal to learn and would necessarily have to depend much upon others, but is ready to do anything in his power to help. The State College stands ready to send out its special agents to solve difficult problems when they come up. In fact the farm bureau as a part of its work, will in a measure, carry the College extension service out to the farmers.

Mr. Kearney was well received indeed and a number of farm problems were discussed with him. He called attention to the fact that an effort to increase production without finding an outlet for the extra products would be disastrous and therefore the question of distribution and marketing is a very important one. However, it must not be overlooked that before the best results can be obtained in marketing at profitable prices, co-operation in the production of standard articles of good quality is necessary.

The Fair representative was called upon to tell about the fair and outlined the work already done and the plans for its complete success including the part that farmers must perform in preparing and exhibiting their products and especially the importance of a good stock display.

JORDON FAMILY REUNION.

The Seventh Jordan Family Reunion picnic will be held at Mineral Springs Park at Woodland, Pa., August 12th, 1916. Every body invited. Bring your basket and spend the day with us.

WHIST CLUB EVENT.

The tournament played between the Clearfield-Curwensville Whist club and the Phillipsburg Whist club last evening at the Country club was a most delightful affair and was won by the Clearfield-Curwensville club. An elegant supper was served by Mrs. Cooper. The head prizes were won by Mrs. S. C. Russell and Mrs. W. C. Hemblid. The consolation prizes were awarded to Mrs. Fryberger and Mr. Mull of Phillipsburg. Miss Alice Dill, Sam Stewart and Mr. Mull, of Phillipsburg were the three efficient score keepers.

HUGHES IN MINNESOTA

Winona, Minn., August 9.—(By United Press)—Candidate Hughes has had his first try out as a real platform candidate in the presidential race today. It happened here this morning when the Republican standard bearer told to a crowd of nearly 1000 people that he looked for a revival of the American spirit. The Minnesotans gave Hughes a roaring reception.

MINNESOTA REPUBLICANS RECEIVE HUGHES ON TRAIN

St. Paul, Minn., August 19.—(By United Press)—Members of the Minneapolis Hughes club and other prominent Republicans made elaborate arrangements to receive Charles Evans Hughes on his arrival here today to speak in the Twin Cities.

The Minnesota Republican league, which met here today, planned to aid in the reception.

Hughes was to speak at both St. Paul and Minneapolis.

ACCIDENT KILLS WELL KNOWN DENTIST

Dr. H. E. Ruffner of Indiana Meets Death In Mysterious Manner Yesterday

THE DETAILS ARE NOT GIVEN

Dr. Harry A. Ruffner, a prominent dentist of Indiana, was instantly killed and a companion, whose name for publication has been refused, was badly injured when an auto driven by Dr. Ruffner went over a bluff on the Indiana to Blairsville road at 3 o'clock this morning. The accident occurred near Blacklick.

The details of the accident are not available. Shortly after 3 o'clock this morning a party of autos passing a point about three-fourths of a mile north of Blacklick heard the cries for help. They stopped the auto and investigated. At the bottom of a deep embankment, about 15 feet below the road level, they found the overturned car. Dr. Ruffner was lying nearby and a hurried examination showed that he was dead. The body was taken to Blairsville. His companion was taken to Blacklick where it was found that she was suffering from a broken shoulder and severe lacerations.

It is said that the couple had motored to Blairsville and were returning to Indiana when the accident occurred.

Dr. Ruffner was about 50 years of age and is survived by his wife and two daughters. He enjoyed a large practice and was generally esteemed.

BRANDIES WILL HEAD AM.COM. ON MEXICO

Secretary Lane Will Also Serve But Third Man Has Not Yet Accepted Commission

TO CONFER WITH CARRANZA

By Robert J. Bender. Washington, Aug. 9.—(By United Press)—President Wilson has selected Associate Justice Lewis D. Brandeis to head the American Commission which will confer with that appointed by General Carranza to settle the Mexican border questions. Secretary of the Interior Lane had been asked to serve also and has accepted. The name of the third man awaits acceptance of the President's request.

Washington, Aug. 9.—In the selecting of Justice Brandeis, the President was prompted by his confidence of the lawyer's ability in investigations. Brandeis has been strongly urged also by Mexicans familiar with the situation. Brandeis will remain a member of the Supreme Court. Secretary of the Interior Lane is probably the best versed man in the Cabinet on Mexican affairs. The first subject to be considered by the commission, it was made clear at the state department today, will be the time for the withdrawal of the United States troops.

VILLIASTAS ATTACK TRAIN.

El Paso, Texas, Aug. 9.—General Aguilar, commanding the escort of Carranza troops and a number of soldiers and passengers were reported to have been killed by Villistas when they attacked a passenger train at Noria Station of the Durango-Torreon lines yesterday. About half of the attacking Villistas were killed by the troops in the fight. Unconfirmed reports to American militiamen say that Torreon has been taken by Villistas.

Wilkes-Barre, Pa., Aug. 9.—(By United Press)—Two men were killed and three injured in a gas explosion in the Pennsylvania Coal Company colliery operation north of here today.

ITALIANS ARE ASSISTING THE BRITISH

Capture Many Thousand Prisoners While Airmen Continue On Important Positions

ITALIANS CAPTURE GOWITZ

By Ed. L. Kean.

London, Aug. 9.—(By United Press)—The allied armies have pushed forward on all fronts with gains today in the triple offensive. The first of the new gains reported were made by the Czar's troops driving toward Stanilau and Lemberg. The Russians have straightened their lines on a 30 mile front and extended gains announced yesterday.

From Nadworna to Minsko the entire country is in their hands. Nadworna, a railway city of 10,000 population, has been captured. Stanilau is now within a few hours' march of the Russian center.

Heavy skirmishes on the Balkan front—the only front upon which the Teutonic allies have not met startled repulses within the last few days—indicating the launching of the fourth powerful drive. Dispatches from Rome from the Italian war office announced yesterday's relative gains on the Isonzo front were conservative.

More than one million men engaged in the war today awaited the new heavy artillery preparation to push forward against the Gowitz fortress.

On the western front the allies have advanced, and taken a slice of the German second line on a four mile front north of the Somme. Terrific fighting about Verdun still continues. The French have advanced toward Fleury and repulsed all the other German attacks. The British advanced north of Pozieres the Turks admit repulses in the Caucasus. Zeppelins raided the English west coast today and southeast Scotland. General French commander of the Home forces reported this afternoon that one man, two women and three children were killed, and five men, six women and six boys were injured. The British airmen drove off Zeppelins. French aviators bombarded the fortified town of Rothwell. The aviators heard a great explosion followed by fire. In a raid of airmen on Metz.

Rome, August 9.—"We captured Gowitz this morning taking 10,000 prisoners" and an official statement from the war office this afternoon.

Brotherhood Officials Flatly Refuse Arbitration Today

This Afternoon, However They Offer To Accept Mediation If Federal Board Acts at Once

New York, Aug. 9.—(By United Press)—Representatives of the 400,000 railway workers who voted overwhelmingly in favor of a strike today flatly rejected the proposal to lay the differences between the employers and strikers before the Federal Board of Mediation and Conciliation. President Garretson representing the Brotherhoods told Elisha Lea of the Pennsylvania Railroad that arbitration had been found unsatisfactory in the past. The two sides are in position to confer without an intermediary, he declared. Lea responded that

the railways would try to enlist the services of the Federal Board regardless of the attitude of the employees.

Representatives of the railroad employers announced this afternoon that they would accept the offer of the United States Board of Mediation and Conciliation and submit their demands for mediation, provided the action is immediately taken. The acceptance of mediation by the employees came as a big surprise. It is believed that the personal appeals of members of the Board brought about the acceptance by the trainmen. It means at least a postponement of the strike.

TEN CENT LOAF IS FOUGHT BY WOMEN

National Housewives League, 300,000 in Number, Will Boycott Bakers

BAKERS ASSERT SACRED DUTY

New York, Aug. 9.—(By United Press)—The ten cent standard for bread loaves will not be established without a nation-wide fight by Mrs. Julian Heath and 700,000 housewives who are members of the National Housewives League, of which she is president. "Bakers have to prove that they are losing money before we submit to either a reduction in weight or raise in price," said Mrs. Heath. "We will boycott the breadmakers as we boycotted the egg speculators." The League has a representative at the Salt Lake Bakers' convention.

Salt Lake City, Utah, Aug. 9.—(By United Press)—The National Master Bakers' Association in resolutions adopted here today declared that it was their "sacred duty to the public" to fix a "uniform and minimum" price of a loaf of bread at 10 cents.

Salt Lake City, Aug. 9.—The advertising columns of the public press of the country are to be used by the National Association to take the public into full confidence regarding the reasons and necessities for increasing the price of bread. The baking business is a public trust, according to the resolutions, and the bakers must secure a living in return for their investment.

STRONG WHEAT MARKET TODAY

Chicago, Aug. 9.—(By United Press)—Wheat jumped 5 1/2 cents for September and 6 cents for December at the opening of the grain market today, amid a wild rush to buy as a result of the government's crop reports predicting a wheat shortage.

Bulletin—Chicago, Aug. 9.—Wheat soared to its highest mark since the war boom of early 1915 just before the close of the market today. September gained 10 7/8 cents and December 11 3/8 cents since yesterday's closing.

200 German soldiers were killed in the barracks.

Italian troops have captured the Austrian stronghold of Gowitz taking 10,000 prisoners, the United Press learned today on reliable authority.

The great Austrian stronghold of Gowitz which for fourteen months has blocked the Italian invasion of Austria on the west has fallen into the hands of the victorious Italians. The United Press received this news from high authority in London. No advance official announcement could be made in advance of the Italian official statement. The Italians are believed to have stormed the city last night or early today, only a few hours after they had battled their way to victory over the Gowitz bridge and had captured two strategic positions overlooking the city. 10,000 Austrian prisoners were taken, according to reports reaching London.

Rome, August 9.—"We captured Gowitz this morning taking 10,000 prisoners" and an official statement from the war office this afternoon.

Entered at Post Office at Clearfield, Pa., as second class matter.

CURWENSVILLE

The Italian band serenaded the new proprietor of the Park House last evening.

Mrs. Elia Hyson, of Akron, Ohio, is visiting her parents on Meadow Street.

Miss Royman Snyder of Altoona, is a guest at the home of Mr. and Mrs. Norman Shaffer.

Mrs. H. J. Wilbur left on Monday her home in Youngstown, after a month's visit with her parents.

Mr. Chas. Anderson has just completed a new cement walk in front of his residence property on Irvin Hill.

Misses Chris and Eva Dale entertained a number of lady friends at their home last evening with an informal supper.

The Eckford Fire Brick plant is a very busy place at the present time. Fifteen to twenty cars of brick are being shipped daily.

A party of Altoona lads and lassies motored to the farm home of Mr. and Mrs. Norman Shaffer above town and spent Sunday.

A seven-months-old child of Mr. and Mrs. Edward Dorndetti, died on Monday and was interred in Oak Hill cemetery on Tuesday forenoon. The family reside at Nulton.

Archie Davidson is having the Bipes store room, of which he recently became the owner, converted into a commodious dwelling house. The property is on Ridge avenue.

Mr. P. E. Smith on Monday completed the job of repairing the west end bridge across Anderson Creek at Bridgeport. New abutments, stringers, flashes and floors were put in. His bid for this work was \$110.00 flat.

There will be a meeting on Thursday evening at 8 o'clock in the Fourth Ward school house to discuss the question should the Borough Buy the Water Company? All interested citizens are urged to be present.

A party was held at the home of Mr. Hezekiah Bressler, Susquehanna avenue, Monday evening. The event was in honor of celebrating Mr. Bressler's 50th birthday. Fifty guests were present, and enjoyed the time spent in his home most agreeably.

Misses Gene and Nell Wilson, of Allport, Pa., are visiting with relatives in town. Both ladies are graduates of West Chester Normal school, and came to Curwensville especially that they might bid Miss Agnes Gardlock farewell as she departs for foreign lands.

Yesterday Mr. George Fleming, residing on Irvin Hill, passed his 62d milestone. The event was celebrated by a family gathering and a sumptuous supper, at which nearly all of his children and a number of grandchildren partook, wishing him many happy days yet to come.

Grandpa Chris. Gardlock is a happy man nowadays. He just received word yesterday that a nine and a half pound son has been born to Mr. and Mrs. Paul Gardlock, whose home is at Berkley Springs, West Virginia. Mr. Gardlock farwell as she departs for company in that state.

The six men who were arrested on Saturday night by Policeman Clark in a boarding house conducted by Valentine Soki, on a charge of gambling, were given a hearing before Squire Dale last evening. All entered the plea of guilty and were fined \$5.00 and costs. All paid in full and were discharged.

The Pitch Club on Tuesday evening gave a farewell party at the home of Mrs. A. M. Kirk, in honor of Mr. and Mrs. S. Dorsey Griffith, who will leave in a few days for Pittsburgh, where they expect to make their future home. At midnight delicious refreshments were served and the good wishes of their many friends extended them for their happiness and prosperity in their new home. Those in attendance were Mr. and Mrs. A. Z. Wolf, Mr. and Mrs. Karstetter, Dr. and Mrs. Jenkins, Mr. and Mrs. G. M. Clute, Mr. and Mrs. Thornton Hill. Other members of the club, who reside at a distance, could not be present conveniently but sent messages of good cheer to the two in whose honor the club meeting was held.

Borough council met in monthly session Monday evening. All members present. Board of Health present and presented certain complaints in regard to drainage into Tannery Run. Rules were suspended and both bodies went into a heated discussion, at some length, after which the mat-

Today's Geographic Study of The Great European War Zone

Stanislaw, like Brody, is one of the years of his life were peacefully gateways through which the Russian armies in Galicia expect to march rapidly toward Lemberg. This railroad center is described in the National Geographic society's war geography bulletin today as follows:

"Railways radiate from Stanislaw in five directions, making it one of the most important strategic cities in southern Galicia. This fact has made it an important trading center and manufacturing town, one of the most important industries before the war being the construction of rolling stock for the railroads.

"The great trunk line passing through Stanislaw is that which runs from Berlin to Bucharest. Before the war it was possible to leave Berlin at 7:30 one evening, and passing through Breslau, Cracow, Przemyśl, Lemberg, Stanislaw and Czernowitz, reach the Roumanian capital the following evening at 10:45. On this line Stanislaw is 87 miles southeast of Lemberg and 78 miles northwest of Czernowitz. Kolomea lies between Stanislaw and Czernowitz, 35 miles from the former.

"An extremely important line to the Russians is the road from the Russo-Galician frontier town of Husiatyn, due east of Stanislaw. This line continues through Stanislaw in a northwesterly direction, via Dolina to Stryi, a fortified town of 25,000 inhabitants situated on the Stryi river, 42 miles south of Lemberg.

"The fifth spoke in the Stanislaw railroad wheel is a line to the south, passing through Delatyn 36 miles distant. This road, bending westward, affords direct communication in peace times between Stanislaw and the Hungarian capital, Buda-Pest, the distance being about 375 miles.

"Stanislaw nestles between two forks of the Bystrica river, one of the important southern tributaries of the Dniester, which flows ten miles to the north.

"The land in the vicinity of Stanislaw is extremely fertile and before the war the town, which had a population of 33,000, was an agricultural center. Among its industries in addition to its railroad shops were dyeing, milling and tile-making.

"The most impressive bit of architecture in the city is the handsome parish church, which contains the tomb of the famous Potocki family, one of whom founded the place in the last half of the 17th century and another, Stanislaw Felix Potocki, was largely instrumental in the utter ruin of Poland. The latter as a promising youth became the standard-bearer of the Crown at the age of 22. He was intent upon dividing his country into an oligarchy of independent grandees who were to enjoy supreme power in rotation. With the aid of the Russian empress Catherine, he became dictator for short time, when the Prussians took Great Poland he was unable to secure further aid from the Muscovites. He retired for a time to Vienna and the last eight

HERE'S WHY HER CLOTHES ARE SO EXPENSIVE

Chicago, August 9.—(By United Press)—Here's why her clothes cost so much.

This fall she asks for long full skirts on her party gowns and dresses and insists that \$21 a yard materials be used.

It takes four yards and "up" to make a skirt of this kind, or \$84 worth for "just the dress goods" which doesn't make the waist nor put on the trimmings.

That's why some women's dresses cost around \$150.

This deduction was brought out today when Chicago dress manufacturers made their display at the Fall Style show of Chicago-made garments at Bismarck gardens.

Dress manufacturers vied with each other to display the most costly material in their dresses. Buyers agreed that all had succeeded.

The war has made costly materials more costly, say manufacturers, because these kinds come from imported goods demands a good price, middle west buyers discovered today.

Navy blue is the prevailing color in dresses for fall, although black, purples, and wine colors also are favorites.

The waist is cut yoke effect with a collar at the back.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look on feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colic, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get to feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. It will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

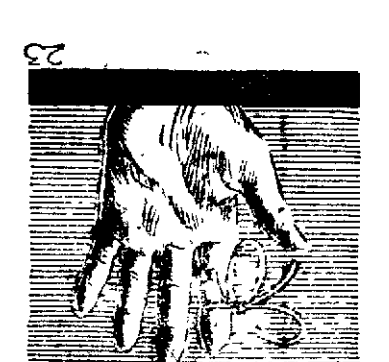

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

HUGHES INVADES NORTHWEST.

St. Paul, Minn., Aug. 9.—Tonight the Twin Cities are to extend to Charles E. Hughes, Republican nominee for President, the first of the series of demonstrations planned for him in the Northwest. The visit is the first that Mr. Hughes has paid this section of the country since 1906, when he made a western campaign tour for President Taft. In both St. Paul and Minneapolis, in both cities, the business sections are displaying a profusion of flags and banners in honor of the distinguished visitor. The morning trains brought many Republicans from all sections of Minnesota anxious to take part in the welcome to the head of the national ticket.

MARY PICKFORD IN GREAT
HUMAN DRAMA "ESMERALDA"

Mary Pickford, the idol of the
screen, is presented in another photo-
play that will increase her fame and
popularity, if such a thing is remotely
possible, in the Famous Players
Film company's four-part photo-adap-
tion of Frances Hodgson Burnett's
great human drama, "Esmeralda,"
the latest release on the Paramount
program at the opera house tomor-
row.

Miss Pickford delineates this fa-
mous character-study with all the
sweetness and tenderness that is il-
lustriously hers. Mrs. Burnett, it
will be remembered, is also the author
of two other unusual Famous Players
successes, "The Dawn of a To-mor-
row" and "The Pretty Sister of Jose"

in the former of which "Little Mary"
scored one of her greatest screen
triumphs since "Tess of the Storm
Country." In "Esmeralda" the gifted
actress has cleverly interwoven real
pathos, simple and beautiful senti-
ment and a quaint originality and hu-
mor that will reach both the heart and
the soul of people of all ages and tem-
peraments, which the always charm-
ing and wonderful little star inter-
prets in a manner at all times supe-
reme.

Whether in Esmeralda's quiet, sim-
ple little home on the farm, or in the
whirl of society's life in a large me-
tropolis, she is the master of every
situation with which the appealing
drama confronts her. Not only be-
cause it is much unlike anything else
she has ever done before, but also be-
cause of its humanness—its wonderful
naturalness—"Esmeralda" will be re-
membered as one of Miss Pickford's
foremost character creations.

The story is so generally well
known that it is perhaps unnecessary
to more than briefly indicate its mo-
tiff. This is based upon the separa-
tion of the simple little Esmeralda
and her sweetheart by the unexpected
finding of a fortune in ore on the farm
and the suddenly developed ambitions
uncontrollably society-stricken when
she learns of her wealth. Now Es-
meralda is made to believe that her
lover is dead, so that she can consent
to marry a designing marquis and
how the sudden arrival of her sweet-
heart interrupts the gorgeous wed-
ding forms the climax of a story,
forceful with the power of realism,
but at all times quiet and simple in
its construction are the lives of the
people it depicts themselves.

An ice cream social will be held on
the Mount Joy church grounds Thurs-
day evening, August 10. Come and
see who will get the quilt. Every-
body welcome.

AUGUST CLEAN-UP SALE

This Is a Price-Pruning Proposition Of a Most Drastic Sort → ALL SUMMER GOODS MUST GO ← Sale Starts Thursday August 10th

A good housekeeper would never think of moving into a home without it had been thoroughly cleaned and put in tip-top shape. So it is with a good merchant. He wouldn't think of allowing his fine, clean, new Fall merchandise to come in until all summer stocks have been moved out of their way.

So now for a great clean up of all summer merchandise—everything must go regardless of how good it might be, or what it will cost next season. We urge you—especially if you are our regular customers—to take advantage of this sale, which, from a value-giving standpoint, will not be equalled again in many moons.

Remember the day, Thursday, August 10th, and be here early.

August Clean-Up Sale of Coats, Suits and Dresses

Every Summer coat, every suit, dress, skirt and waist must go irrespective of cost or former price, affording a saving in price that no woman can afford to miss. Many of these garments may well be worn into the Fall. Others will be appropriate for wear next year. Look at these small prices.

PETITION FOR A NEW STATION FORWARDED

Is Signed By Practically Every Business Firm In Clearfield As Business Necessity

PRESENT STATION INADEQUATE

A monster petition for a new passenger station at Clearfield has been sent to the New York Central company and one to the Buffalo, Rochester and Pittsburgh Railway company. The petitions are not bulky but weigh much in influence as they are signed by practically every business firm in the town. A few years ago the railroad was petitioned to erect new stations here and at that time the petition was signed by almost every citizen of town. The petition of the business houses of Clearfield will supplement the other petitions and together they are expected to bring some results.

The New York Central passenger station has for years been an eye sore to the town. A great deal of the travel to our town comes in over the New York Central and the remarks that are passed about the facilities for handling traffic are very unpleasant to loyal Clearfield boosters. Hardly a week passes that we do not have to give some kind of excuse for the dinky little building that bears the name of passenger station. It is hard to understand why Clearfield, which has contributed so much to the general trade of the New York Central lines, has been treated so disrespectfully in the way of passenger facilities. Quite often the little waiting room, which has to serve for male and female at the same time, is overcrowded and ladies prefer to stand out in the weather rather than enter it. A condition like this does not contribute anything to the popularity of Clearfield as a shopping center. Now that the business men of the town are after it no doubt some results will accrue.

It is not definitely known whether the petition has gone forward as those having it in charge have not given anything for publication but it is known that it is ready to send in and the people of Clearfield will be glad to know that the subject of better passenger service is being opened up again.

GOLF CLUB TOURNAMENT.

Last Saturday proved another delightful afternoon and evening at the Country club. Starting at one o'clock in the afternoon the qualifying round of the men's golf tournament was played despite the rain with the following result:

Popular Clearfield Girl Is Married

Miss Marie Bowes Wedded to Charles P. Schnarrs of Pittsburgh

A beautiful wedding was solemnized at the Eleventh St. M. E. church parsonage last evening at 7:00 o'clock when Charles B. Schnarrs and Miss Marie Bowes were married by Rev. Robert C. Peters, their pastor. The couple was attended by Arthur Bowes and Miss Ruth Beightol and the beautiful ring ceremony of the Methodist church was used. The bride is the accomplished daughter of H. H. Bowes of Daisy street and the groom is now engaged in the grocery business in Pittsburgh where they will make their future home. The good wishes of a host of friends accompany them.

Following the ceremony a wedding supper was served at the home of the bride at which a number of relatives and friends were present. The bride and groom left today on the 1:15 train for Pittsburgh.

WOODLAND LADY TO BE BURIED TODAY

Funeral Will Be Largely Attended -- All Old Citizens Knew Mrs. Elizabeth Lansberry Well

HAS BEEN ILL FOR YEARS

Woodland has lost by death another well known and highly esteemed resident in the passing away of Mrs. Elizabeth Lansberry, widow of the late Simon Peter Lansberry, whose demise occurred on Sunday evening, August 6th, following a lingering illness. Her age was 71 years, 8 months and 5 days.

Mrs. Lansberry was a consistent member of the United Brethren church. She was a good woman, whose gracious spirit endeared her to a large circle of friends. The community in which she has so long resided will deeply mourn her passing away.

Surviving are the following sons and daughters, viz: Ralph, of Portland, Oregon; Mrs. Alice Nail, of DuBois; Mrs. Lettie Polkinghorn, of New Bethlehem; Richard, of Woodland; Mrs. Frank Snyder, also of Woodland, and Miss Mame, at home.

The funeral will take place from the U. B. church tomorrow afternoon, with interment in the Bradford cemetery.

MISS PHILLIPS ENTERTAINS

Millard Phillips entertained a number of girls and boys at a delightful party last evening at his home on Turnpike avenue in honor of Miss Helen Baum. The evening was a most enjoyable one for all and was spent in playing cards and games. Vocal and instrumental music was greatly appreciated by all.

Lost or taken by mistake, a dark green silk umbrella. The one who took the umbrella will please take it to the 5 and 10c store and get the one which was left by mistake.

GOSHEN ROD AND GUN CLUB DINE

Celebrate Release From Debt By Burning Eight Hundred Dollar Mortgage

THEY HAVE FINE CLUB HOUSE

The club house of the Goshen Rod and Gun club, located about three miles from Shawsville on the old McGeorge road toward Caledonia was the scene of a very festive occasion last evening when about forty members and guests of the organization partook of a big feed to celebrate the cancellation of the mortgage against the property.

The organization is very young but has had a prosperous career. The principal item on the program last night was the burning of the scrap of paper that overshadowed the club. With a few appropriate remarks the match was applied to it by the president of the club, Hobart Callahan, Burgess of Clearfield. A. I. Cowdick is the secretary and treasurer of the club.

The club house is of four spacious rooms all equipped for the best of times in out door club life. It has twelve iron beds and only recently a beautiful big fireplace has been added to the building. There is a large porch on two sides of the house. The porch has also been added during the past year.

The big dinner in honor of the mortgage burning was put up by Wilson, the Read Street caterer.

BOY SWALLOWS A VICTROLA NEEDLE

Son of Mr. and Mrs. F. B. Reed Meets With Peculiar Accident Yesterday Morning

NOW AT CLEARFIELD HOSPITAL

Yesterday morning the six year old son of Fred B. Reed of Old Town Road accidentally swallowed a Victrola needle. Little Fred was playing the Victrola and while changing the needles, he slipped one into his mouth and it slipped down his throat. The child screamed and his mother, who was in another part of the house, ran to him and found him choking violently.

Mrs. Reed ran to the phone, only to find it out of order, and then to the Reed farm to call for a doctor but the wires were bad there also. Just as she was coming from the Reed farm she met Miss Kathryn Dyer of Curwensville who was passing in her car. Mrs. Reed hailed her and they took the boy to the residence of Dr. Stewart and from there to the hospital. At the hospital the X-ray was used and the needle located in the stomach.

He had a fairly good night and the doctors have not decided whether an operation will be necessary or not.

REV. GRUMBINE SAYS COLORS AFFECT THE MIND

Cleveland, August 9. (By United Press)—If your little girl tells a fib or hops the ice wagon, buy her a pale blue pinafore. If your small boy disobeys and has to be taken out to the woodshed by his fond papa regularly, have his bedroom papered a sky blue. If you want to do some hard mental concentration hang a yellow curtain across the window. This is the advice of Rev. J. F. Grumbine, of the Psycho-Science church here.

"Clear red makes folks affectionate and dark red makes them emotional," Dr. Grumbine stated. "White makes folks feel spiritual and pure. Every color has its affect on the human mind."

"Blue is the color that will help the child go the right road."

FARM AGENT VISITS CURWENSVILLE AND THEIR GRANGE

Fair Booster Also Present To Outline Work Already Done By The Fair Committee

Agent Kearney Says Best Results in Marketing Can be Obtained by Co-Operation in Production of Standard Articles.

Through the courtesy of A. T. Kearney, Farm Agent, the County Fair representative accompanied him to Curwensville last Saturday and visited Susquehanna Grange. While the attendance was not large, the interest was good, and a varied program was rendered. Cut worms and potato bugs came in for some remarks—not to their credit.

Attention was called to the blight that seems to have stricken the leaves of maple and white oak trees by the roadside and in the woods.

Mr. Kearney gave a good outline of the work of the Farm Bureau and deprecated the idea that some persons have that the County Farm Agent is expected to know it all or to profess to do so, saying that he himself had a great deal to learn and would necessarily have to depend much upon others, but is ready to do anything in his power to help. The State College stands ready to send out its special agents to solve difficult problems when they come up. In fact the farm bureau as a part of its work, will in a measure, carry the College extension service out to the farmers.

Mr. Kearney was well received indeed and a number of farm problems were discussed with him. He called attention to the fact that an effort to increase production without finding an outlet for the extra products would be disastrous and therefore the question of distribution and marketing is a very important one. However, it must not be overlooked that before the best results can be obtained in marketing at profitable prices, co-operation in the production of standard articles of good quality is necessary.

The Fair representative was called upon to tell about the fair and outlined the work already done and the plans for its complete success including the part that farmers must perform in preparing and exhibiting their products and especially the importance of a good stock display.

WHIST CLUB EVENT.

The tournament played between the Clearfield-Curwensville Whist club and the Phillipsburg Whist club last evening at the Country club was a most delightful affair and was won by the Clearfield-Curwensville club. An elegant supper was served by Mrs. Cooper. The head prizes were won by Mrs. S. C. Russell and Mrs. W. C. Hemblold. The consolation prizes were awarded to Mrs. Fryberger and Mr. Mull of Phillipsburg. Miss Alice Dill, Sam Stewart and Mr. Mull, of Phillipsburg were the three efficient score keepers.

HUGHES IN MINNESOTA

Winona, Minn., August 9.—(By United Press)—Candidate Hughes has had his first try out as a real platform candidate in the presidential race today. It happened here this morning when the Republican standard bearer told to a crowd of nearly 1000 people that he looked for a revival of the American spirit. The Minnesotans gave Hughes a roaring reception.

MINNESOTA REPUBLICANS RECEIVE HUGHES ON TRAIN

St. Paul, Minn., August 19.—(By United Press)—Members of the Minneapolis Hughes club and other prominent Republicans made elaborate arrangements to receive Charles Evans Hughes on his arrival here today to speak in the Twin Cities.

The Minnesota Republican league, which met here today, planned to aid in the reception.

Hughes was to speak at both St. Paul and Minneapolis.

ACCIDENT KILLS WELL KNOWN DENTIST

Dr. H. E. Ruffner of Indiana Meets Death In Mysterious Manner Yesterday

THE DETAILS ARE NOT GIVEN

Dr. Harry A. Ruffner, a prominent dentist of Indiana, was instantly killed and a companion, whose name for publication has been refused, was badly injured when an auto driven by Dr. Ruffner went over a bluff on the Indiana to Blairsville road at 3 o'clock this morning. The accident occurred near Blacklick.

The details of the accident are not available. Shortly after 3 o'clock this morning a party of autos passing a point about three-fourths of a mile north of Blacklick heard the cries for help. They stopped the auto and investigated. At the bottom of a deep embankment, about 15 feet below the road level, they found the overturned car. Dr. Ruffner was lying nearby and a hurried examination showed that he was dead. The body was taken to Blairsville. His companion was taken to Blacklick where it was found that she was suffering from a broken shoulder and severe lacerations.

It is said that the couple had motored to Blairsville and were returning to Indiana when the accident occurred.

Dr. Ruffner was about 50 years of age and is survived by his wife and two daughters. He enjoyed a large practice and was generally esteemed.

BRANDIES WILL HEAD AM.COM. ON MEXICO

Secretary Lane Will Also Serve But Third Man Has Not Yet Accepted Commission

TO CONFER WITH CARRANZA

By Robert J. Bender. Washington, Aug. 9.—(By United Press)—President Wilson has selected Associate Justice Lewis D. Brandeis to head the American Commission which will confer with that appointed by General Carranza to settle the Mexican border questions. Secretary of the Interior Lane had been asked to serve also and has accepted. The name of the third man awaits acceptance of the President's request.

Washington, Aug. 9.—In the selecting of Justice Brandeis, the President was prompted by his confidence of the lawyer's ability in investigations. Brandeis has been strongly urged also by Mexicans familiar with the situation. Brandeis will remain a member of the Supreme Court. Secretary of the Interior Lane is probably the best versed man in the Cabinet on Mexican affairs. The first subject to be considered by the commission, it was made clear at the state department today, will be the time for the withdrawal of the United States troops.

VILLIASTAS ATTACK TRAIN.

El Paso, Texas, Aug. 9.—General Aguilar, commanding the escort of Carranza troops and a number of soldiers and passengers were reported to have been killed by Villistas when they attacked a passenger train at Noria Station of the Durango-Torreon lines yesterday. About half of the attacking Villistas were killed by the troops in the fight. Unconfirmed reports to American militiamen say that Torreon has been taken by Villistas.

Part of Preparation for big Convention Coming Here

Clearfield Fire Co. No. 1 is busily getting ready for the big firemen's convention and by way of ornamentation are having a coat of paint put on their meeting house on Market street. The paint will make a decided improvement in the looks of the borough building and can now hold up its head with the beautiful windows of the Mirkin store which was recently painted.

MINE EXPLOSION AT WILKES-BARRE

Wilkes-Barre, Pa., Aug. 9.—(By United Press)—Two men were killed and three injured in a gas explosion in the Pennsylvania Coal Company colliery operation north of here today.

ITALIANS ARE ASSISTING THE BRITISH

Capture Many Thousand Prisoners While Airmen Continue On Important Positions

ITALIANS CAPTURE GOWITZ

By Ed. L. Kean. London, Aug. 9.—(By United Press)—The allied armies have pushed forward on all fronts with gains today in the triple offensive. The first of the new gains reported were made by the Czar's troops driving toward Stanilau and Lemberg. The Russians have straightened their lines on a 30 mile front and extended gains announced yesterday.

From Nadworna to Minsko the entire country is in their hands. Nadworna, a railway city of 10,000 population, has been captured. Stanilau is now within a few hours' march of the Russian center.

Heavy skirmishes on the Balkan front—the only front upon which the Teutonic allies have not met startled repulses within the last few days—indicating the launching of the fourth powerful drive. Dispatches from Rome from the Italian war office announced yesterday's relative gains on the Isonzo front were conservative.

More than one million men engaged in the war today awaited the new heavy artillery preparation to push forward against the Gowitz fortress. On the western front the allies have advanced, and taken a slice of the German second line on a four mile front north of the Somme. Terrific fighting about Verdun still continues. The French have advanced toward Fleury and repulsed all the other German attacks. The British advanced north of Pozieres the Turks admit repulses in the Caucasus. Zeppelins raided the English west coast today and southeast Scotland. General French commander of the Home forces reported this afternoon that one man, two women and three children were killed, and five men, six women and six boys were injured. The British airmen drove off Zeppelins. French aviators bombarded the fortified town of Rothwell. The aviators heard a great explosion followed by fire. In a raid of airmen on Metz.

Rome, August 9.—"We captured Gowitz this morning taking 10,000 prisoners" and an official statement from the war office this afternoon.

Brotherhood Officials Flatly Refuse Arbitration Today

This Afternoon, However They Offer To Accept Mediation If Federal Board Acts at Once

New York, Aug. 9.—(By United Press)—Representatives of the 400,000 railway workers who voted overwhelmingly in favor of a strike today flatly rejected the proposal to lay the differences between the employers and strikers before the Federal Board of Mediation and Conciliation. President Garretson representing the Brotherhoods told Elisha Lea of the Pennsylvania Railroad that arbitration had been found unsatisfactory in the past. The two sides are in position to confer without an intermediary, he declared. Lea responded that

TEN CENT LOAF IS FOUGHT BY WOMEN

National Housewives League, 300,000 in Number, Will Boycott Bakers

BAKERS ASSERT SACRED DUTY

New York, Aug. 9.—(By United Press)—The ten cent standard for bread loaves will not be established without a nation-wide fight by Mrs. Julian Heath and 700,000 housewives who are members of the National Housewives League, of which she is president. "Bakers have to prove that they are losing money before we submit to either a reduction in weight or raise in price," said Mrs. Heath. "We will boycott the breadmakers as we boycotted the egg speculators." The League has a representative at the Salt Lake Bakers' convention.

Salt Lake City, Utah, Aug. 9.—(By United Press)—The National Master Bakers' Association in resolutions adopted here today declared that it was their "sacred duty to the public" to fix a "uniform and minimum" price of a loaf of bread at 10 cents.

Salt Lake City, Aug. 9.—The advertising columns of the public press of the country are to be used by the National Association to take the public into full confidence regarding the reasons and necessities for increasing the price of bread. The baking business is a public trust, according to the resolutions, and the bakers must secure a living in return for their investment.

STRONG WHEAT MARKET TODAY

Chicago, Aug. 9.—(By United Press)—Wheat jumped 5 1/2 cents for September and 6 cents for December at the opening of the grain market today, amid a wild rush to buy as a result of the government's crop reports predicting a wheat shortage.

Bulletin—Chicago, Aug. 9.—Wheat soared to its highest mark since the war boom of early 1915 just before the close of the market today. September gained 10 7/8 cents and December 11 3/8 cents since yesterday's closing.

200 German soldiers were killed in the barracks.

Italian troops have captured the Austrian stronghold of Gowitz taking 10,000 prisoners, the United Press learned today on reliable authority.

The great Austrian stronghold of Gowitz which for fourteen months has blocked the Italian invasion of Austria on the west has fallen into the hands of the victorious Italians. The United Press received this news from high authority in London. No advance official announcement could be made in advance of the Italian official statement. The Italians are believed to have stormed the city last night or early today, only a few hours after they had battled their way to victory over the Gowitz bridge and had captured two strategic positions overlooking the city. 10,000 Austrian prisoners were taken, according to reports reaching London.

Rome, August 9.—"We captured Gowitz this morning taking 10,000 prisoners" and an official statement from the war office this afternoon.

CURWENSVILLE

The Italian band serenaded the new proprietor of the Park House last evening.

Mrs. Elia Hyson, of Akron, Ohio, is visiting her parents on Meadow Street.

Miss Royman Snyder of Altoona, is a guest at the home of Mr. and Mrs. Norman Shaffer.

Mrs. H. J. Wilbur left on Monday her home in Youngstown, after a month's visit with her parents.

Mr. Chas. Anderson has just completed a new cement walk in front of his residence property on Irvin Hill.

Misses Chris and Eva Dale entertained a number of lady friends at their home last evening with an informal supper.

The Bickford Fire Brick plant is a very busy place at the present time. Fifteen to twenty cars of brick are being shipped daily.

A party of Altoona lads and lassies motored to the farm home of Mr. and Mrs. Norman Shaffer above town and spent Sunday.

A seven-months-old child of Mr. and Mrs. Edward Dorndetti, died on Monday and was interred in Oak Hill cemetery on Tuesday forenoon. The family reside at Nulton.

Archie Davidson is having the Bipes store room, of which he recently became the owner, converted into a commodious dwelling house. The property is on Ridge avenue.

Mr. P. E. Smith on Monday completed the job of repairing the west end bridge across Anderson Creek at Bridgeport. New abutments, stringers, flashes and floors were put in. His bid for this work was \$110.00 flat.

There will be a meeting on Thursday evening at 8 o'clock in the Fourth Ward school house to discuss the question should the Borough Buy the Water Company? All interested citizens are urged to be present.

A party was held at the home of Mr. Hezekiah Bressler, Susquehanna avenue, Monday evening. The event was in honor of celebrating Mr. Bressler's 50th birthday. Fifty guests were present, and enjoyed the time spent in his home most agreeably.

Misses Gene and Nell Wilson, of Allport, Pa., are visiting with relatives in town. Both ladies are graduates of West Chester Normal school, and came to Curwensville especially that they might bid Miss Agnes Gardlock farewell as she departs for foreign lands.

Yesterday Mr. George Fleming, residing on Irvin Hill, passed his 62d milestone. The event was celebrated by a family gathering and a sumptuous supper, at which nearly all of his children and a number of grandchildren partook, wishing him many happy days yet to come.

Grandpa Chris. Gardlock is a happy man nowadays. He just received word yesterday that a nine and a half pound son has been born to Mr. and Mrs. Paul Gardlock, whose home is at Berkley Springs, West Virginia. Mr. Gardlock farewell as she departs for company in that state.

The six men who were arrested on Saturday night by Policeman Clark in a boarding house conducted by Valentine Soki, on a charge of gambling, were given a hearing before Squire Dale last evening. All entered the plea of guilty and were fined \$5.00 and costs. All paid in full and were discharged.

The Pitch Club on Tuesday evening gave a farewell party at the home of Mrs. A. M. Kirk, in honor of Mr. and Mrs. S. Dorsey Griffith, who will leave in a few days for Pittsburgh, where they expect to make their future home. At midnight delicious refreshments were served and the good wishes of their many friends extended them for their happiness and prosperity in their new home. Those in attendance were Mr. and Mrs. A. Z. Wolf, Mr. and Mrs. Karstetter, Dr. and Mrs. Jenkins, Mr. and Mrs. G. M. Clute, Mr. and Mrs. Thornton Hill. Other members of the club, who reside at a distance, could not be present conveniently but sent messages of good cheer to the two in whose honor the club meeting was held.

Borough council met in monthly session Monday evening. All members present. Board of Health present and presented certain complaints in regard to drainage into Tannery Run. Rules were suspended and both bodies went into a heated discussion, at some length, after which the mat-

Even pastime with the Reds doesn't take the lustre off the brilliant work of Hal Chase.

Without the services of this Speaker the Cleveland Indians will find plenty to do to keep in sight in the American league tussle.

Just as the Braves were showing the stuff that champions are made of, Hank Gowdy busted the best thumb he owns and will be out of the game for a week or two.

Manager Fielder Jones announces that the Browns have graduated from the easy picking class and from now on will slay every American league team they run up against.

Speaking of the cracking of several of our best pennant contenders, Manager Wilbert Robinson of the Brooklyn Robins opines that there is nothing like that in the Robins family.

Baseball critics who predicted the fading of the Red Sox through the loss of Speaker have retreated across the field and taken up a new position behind the scoreboard.

About the only way Connie Mack can break even is to provide the Athletics with skiing regalia and send 'em to Norway. Their ability to slide downward would cop the world's record.

It does seem that the breaks are always against some of our pastimeers. There's Bobby Wallace. Bobby quit the Browns to become an umpire. And now he has quit umpiring to rejoin the Browns.

Tilly Shafer, who quit the Giants and retired from the game, declares there is more action in golf than in baseball. We never heard of any riots on the golf links.

After waiting long and patiently for his couple of million dollar's worth of White Sox to show something, Charley Comiskey now can plainly see the 1916 banner on the center field flagpole.

Pitcher Ciolette is giving Faber a good run for the leadership among the White Sox heavies. Very good, Eddie.

News of the Athletics' doings has now narrowed down to the writing up of Larry Lajoie. There is nothing else of interest ever happens among the Mackmen.

Now that he has his Cubs lined up for a great drive against the National league strongholds, all that General Tinker and his troops have to do is to take New York, Philadelphia, Boston and Brooklyn.

Honus Wagner would like to have the scribes lay off the big writeups on his wonderful work until after the close of the season. Two or three hundred columns about Honus had just been published when his batting average began to shrink.

The Giants now have the same infield—Merkle, Doyle, Fletcher and Herzog—with which they won the championships of 1911, 1912 and 1913. Having stopped winning pennants at 13 the chances are that the Giants will remain stopped.

KANSAS BAPTISTS IN SESSION.

Elkhart, Kan., Aug. 9.—The annual convention of the Southwest Kansas Baptist Association met here today with a large attendance of leaders of the denomination from eight counties. The gathering will continue its sessions over tomorrow and Friday.

ter was referred to the sewer committee for further investigation; also to look into the complaint of W. D. Gates. Sidewalk committee reported a number of walks in bad condition. The matter of unrepaired and unbulb walks referred to the borough's chief executive, with request to have same attended to as provided by ordinances. Petition presented by property owners along Hartshorn road for a fire plug. Street committee reported plank crossings in bad condition. Referred to Street Commissioner. Solicitor instructed to take up matter with B. R. & P. officials in regard to repairing culvert at the Arnold addition. Drain from Filbert street to the F. L. Robison property reported finished and four taps made at a cost of \$10.00 each. Secretary to notify J. C. Bloom and Abe Robinson to pay for sewer tap and P. R. R. company in regard to bridge J-18-C. Matter of fill at the foot of the hill on Gramplan road referred. Notices printed to caution people from dumping waste in Tannery Run under penalty. Street Commissioner instructed to build pavement as soon as possible along Gramplan road—Charles Strauss reported the loss or destruction of a \$15.00 interest bearing coupon from paving fund. Referred. Contract for reflooring bridge across Anderson creek at foot of Filbert street awarded to J. S. Richards and P. E. Smith on a bid of \$260.00, material used to be of good, white oak plank. Borough fines for July, \$21.00. Bills presented and ordered paid amounted to \$379.78. Adjourned.

Today's Geographic Study of The Great European War Zone

Stanislaw, like Brody, is one of the years of his life were peacefully gateways through which the Russian armies in Galicia expect to march rapidly toward Lemberg. This railroad center is described in the National Geographic society's war geography bulletin today as follows:

"Railways radiate from Stanislaw in five directions, making it one of the most important strategic cities in southern Galicia. This fact has made it an important trading center and manufacturing town, one of the most important industries before the war being the construction of rolling stock for the railroads.

"The great trunk line passing through Stanislaw is that which runs from Berlin to Bucharest. Before the war it was possible to leave Berlin at 7:30 one evening, and passing through Breslau, Cracow, Przemyśl, Lemberg, Stanislaw and Czernowitz, reach the Roumanian capital the following evening at 10:45. On this line Stanislaw is 87 miles southeast of Lemberg and 78 miles northwest of Czernowitz. Kolomea lies between Stanislaw and Czernowitz, 35 miles from the former.

"An extremely important line to the Russians is the road from the Russo-Galician frontier town of Husiatyn, due east of Stanislaw. This line continues through Stanislaw in a northwesterly direction, via Dolina to Stryl, a fortified town of 25,000 inhabitants situated on the Stryl river, 42 miles south of Lemberg.

"The fifth spoke in the Stanislaw railroad wheel is a line to the south, passing through Delatyn 36 miles distant. This road, bending westward, affords direct communication in peace times between Stanislaw and the Hungarian capital, Buda-Pest, the distance being about 375 miles.

"Stanislaw nestles between two forks of the Bystrica river, one of the important southern tributaries of the Dniester, which flows ten miles to the north.

"The land in the vicinity of Stanislaw is extremely fertile and before the war the town, which had a population of 33,000, was an agricultural center. Among its industries in addition to its railroad shops were dyeing, milling and tile-making.

"The most impressive bit of architecture in the city is the handsome parish church, which contains the tomb of the famous Potocki family, one of whom founded the place in the last half of the 17th century and another, Stanislaw Felix Potocki, was largely instrumental in the utter ruin of Poland. The latter as a promising youth became the standard-bearer of the Crown at the age of 22. He was intent upon dividing his country into an oligarchy of independent grandees who were to enjoy supreme power in rotation. With the aid of the Russian empress Catherine, he became dictator for short time, when the Prussians took Great Poland he was unable to secure further aid from the Muscovites. He retired for a time to Vienna and the last eight

HERE'S WHY HER CLOTHES ARE SO EXPENSIVE

Chicago, August 9.—(By United Press)—Here's why her clothes cost so much.

This fall she asks for long full skirts on her party gowns and dresses and insists that \$21 a yard materials be used.

It takes four yards and "up" to make a skirt of this kind, or \$84 worth for "just the dress goods" which doesn't make the waist nor put on the trimmings.

That's why some women's dresses cost around \$150.

This deduction was brought out today when Chicago dress manufacturers made their display at the Fall Style show of Chicago-made garments at Bismarck gardens.

Dress manufacturers vied with each other to display the most costly material in their dresses. Buyers agreed that all had succeeded.

The war has made costly materials more costly, say manufacturers, because these kinds come from imported goods demands a good price, middle west buyers discovered today.

Navy blue is the prevailing color in dresses for fall, although black, purples, and wine colors also are favorites.

The waist is cut yoke effect with a collar at the back.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look on feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colic, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

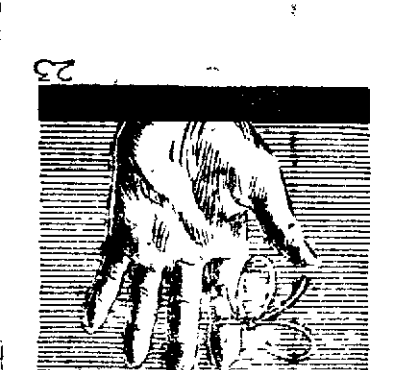

People who feel good one day and badly the next, but who simply can not get to feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. It will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Big Business Recognizes Publicity.

By GREEN.

In latter years the biggest enterprises in this country have recognized the value of advertising. The men in charge of their advertising campaigns are paid splendid salaries. In fact, no branch of the business receives more attention. Publicity and advertising form the keynote of success.

If big business needs advertising doesn't small business need it?

Every man in business needs advertising. If his business is a success he needs advertising to keep it so. If his business is struggling liberal advertising will build it up.

HUGHES INVADES NORTHWEST.

St. Paul, Minn., Aug. 9.—Tonight the Twin Cities are to extend to Charles E. Hughes, Republican nominee for President, the first of the series of demonstrations planned for him in the Northwest. The visit is the first that Mr. Hughes has paid this section of the country since 1906, when he made a western campaign tour for President Taft. In both St. Paul and Minneapolis, in both cities, the business sections are displaying a profusion of flags and bunting in honor of the distinguished visitor. The morning trains brought many Republicans anxious to take part in the welcome to the head of the national ticket.

MARY PICKFORD IN GREAT
HUMAN DRAMA "ESMERALDA"

Mary Pickford, the idol of the
screen, is presented in another photo-
play that will increase her fame and
popularity, if such a thing is remotely
possible, in the Famous Players
Film company's four-part photo-adap-
tion of Frances Hodgson Burnett's
great human drama, "Esmeralda,"
the latest release on the Paramount
program at the opera house tomor-
row.

Miss Pickford delineates this fa-
mous character-study with all the
sweetness and tenderness that is il-
lustriously hers. Mrs. Burnett, it
will be remembered, is also the author
of two other unusual Famous Players
successes, "The Dawn of a To-mor-
row" and "The Pretty Sister of Jose"
in the former of which "Little Mary"
scored one of her greatest screen
triumphs since "Tess of the Storm
Country." In "Esmeralda" the gifted
author has cleverly interwoven real
pathos, simple and beautiful senti-
ment and a quaint originality and hu-
mor that will reach both the heart and
the soul of people of all ages and tem-
peraments, which the always charm-
ing and wonderful little star inter-
prets in a manner at all times su-
preme.

Whether in Esmeralda's quiet, sim-
ple little home on the farm, or in the
whirl of society's life in a large met-
ropolis, she is the master of every
situation with which the appealing
drama confronts her. Not only be-
cause it is much unlike anything else
she has ever done before, but also be-
cause of its humanness—its wonderful
naturalness—"Esmeralda" will be re-
membered as one of Miss Pickford's
foremost character creations.

The story is so generally well
known that it is perhaps unnecessary
to more than briefly indicate its mo-
tiff. This is based upon the separa-
tion of the simple little Esmeralda
and her sweetheart by the unexpected
finding of a fortune in ore on the farm
and the suddenly developed ambitions
uncontrollably society-stricken when
she learns of her wealth. Now Es-
meralda is made to believe that her
lover is dead, so that she can consent
to marry a designing marquis and
how the sudden arrival of her sweet-
heart interrupts the gorgeous wed-
ding forms the climax of a story,
forceful with the power of realism,
but at all times quiet and simple in
its construction are the lives of the
people it depicts themselves.

An ice cream social will be held on
the Mount Joy church grounds Thurs-
day evening, August 10. Come and
see who will get the quilt. Every-
body welcome.

AUGUST CLEAN-UP SALE

This Is a Price-Pruning Proposition Of a Most Drastic Sort → ALL SUMMER GOODS MUST GO ← Sale Starts Thursday August 10th

A good housekeeper would never think of moving into a home without it had been thoroughly cleaned and put in tip-top shape. So it is with a good merchant. He wouldn't think of allowing his fine, clean, new Fall merchandise to come in until all summer stocks have been moved out of their way.

So now for a great clean up of all summer merchandise—everything must go regardless of how good it might be, or what it will cost next season. We urge you—especially if you are our regular customers—to take advantage of this sale, which, from a value-giving standpoint, will not be equalled again in many moons.

Remember the day, Thursday, August 10th, and be here early.

August Clean-Up Sale of Coats, Suits and Dresses

Every Summer coat, every suit, dress, skirt and waist must go irrespective of cost or former price, affording a saving in price that no woman can afford to miss. Many of these garments may well be worn into the Fall. Others will be appropriate for wear next year. Look at these small prices.
